These 3 Choices

can keep you
HOT WATER HAPPY
washerful after washerful

Choose a GAS Water Heater!

Gas heats water three times faster... easily keeps ahead of the demands of automatic washing machines, dish washers and growing families. Gas costs less, too. No wonder 98% of all Southern California families heat water with Gas!

Choose Right Size!

Your plumber's approved sizing chart shows the proper size automatic Gas water heater for your family. Don't buy an inadequate heater. It overworks—won't last as long nor serve you as well as the right size heater.

Choose Quality!

One good way to select a quality Gas water heater that won't rust is to make sure it carries the Verified Long Life Seal shown here—or insist on a 10-year warranty when you order.

It's easy to buy a new automatic Gas water heater. You can give your plumber all the details he needs over the telephone. You may even arrange convenient terms, credit and financing with him over the telephone.

SOUTHERN CALIFORNIA GAS WATER WITH MODERN GAS

For modern Gas service beyond our system, see your L-P Gas dealer.

State Curfew Law Cited as Gang Buster in Juvenile Violence

Violence by juveniles occurs predominantly in gangs and one of the best gang busters is a statewide antiloitering law. These are two of the conclusions drawn in a report recently made to Attorney General Edmund G. "Pat" Brown.

The report called "Juvenile Violence in California," has received wide acclaim by the judiciary, educators, law enforcement agencies and welfare groups.

Attorney General Brown said it was a major step forward in solving one of the state's most vexatious problems. The report was made by the Citizens Advisory Committee to the Attorney General on Crime Prevention.

The committee said it was "deeply impressed" by the continually mounting degree of ju-

venile violence and it placed a good share of the blame on comic books, television and motion pictures.

This violence, the committee found, occurred principally when teenagers formed themselves into a gang. What began as a nightly fun ended in an evening foray.

It pointed to the remarkable reduction in crimes of violence experienced in Los Angeles County after enactment and enforcement of a curfew in 1955. It strongly recommended that antiloitering legislation be made a statewide law.

The committee said the present financial responsibility laws should not be changed.

GLENN KOGER

Koger Will Head Harbor Area Chest Campaign

Glenn Koger, vice president and manager of Rome Cable Corporation, was appointed Community Chest area chairman for the nine cities of the Harbor area, according to George Hawley, Associated Cities chairman. "Koger's fine record as Torrance

City chairman for 1957-58 establishes him as the right man for the tremendous job to be done in 1958," Hawley said.

The new area chairman has worked for the Community Chest since he became Rome Cable Firm executive for AID in 1954, and is now first vice chairman of the Harbor area Welfare Federation board. He has also served as Torrance area chairman for the City of Hope, is a member of Torrance Rotary Club and is on the board of directors of the Torrance Chamber of Commerce.

Under Koger's leadership more than 4000 volunteers will be recruited from the Harbor area to undertake the innumerable organizational tasks preparatory to the 1958 annual appeal on behalf of the 167 agencies of the Community Chest.

"This year may be one of the most critical years in the 34-year history of the Chest," Koger said. "With the gallant assistance of the many volunteers who work for the Chest, I am confident that the Harbor area will maintain its proud record of service to the community."

LOMITA LY OPENS

A large turnout of boys was on hand for the opening tryouts for the Lomita Park Junior Chamber of Commerce Little League. All the boys present for the tryouts were placed on teams, but there are still a few openings for boys wishing to play Little League, baseball. Boys 9 to 12 who are interested must sign up before 10 a.m. Saturday.

Mobil Wins Indianapolis "500" for Eighth Straight Year!

Jimmy Bryan first with 133.7 m. p. h.

INDIANAPOLIS, May 30—First across the finish line in the Memorial Day 500-mile classic test of cars, drivers, fuels and lubricants, was Jimmy Bryan in his Belond-AP-Special with a spectacular 133.7 m. p. h. Today, as every year since 1951, the winner of the Indy "500" was powered by Mobil racing fuel, lubricated by stock Mobiloil. The same knowhow and experience behind this proven lubricant and super-fuel are behind all Mobil products. That's why 1958 Mobilgas Special—designed especially for today's high-compression high-horsepower engines—provides instant take off and passing power when you need it.
